AUTHORIZATION

By providing credit card or debit card, Renter has authorized Operator to automatically charge Rent to the credit/debit card referenced (which is owned by the Renter or upon which Renter has authority to charge) on the first (1st) of each month, or as soon as reasonably practicable thereafter, for each month of the Term. This authorization shall continue and include any increases in Rent and other charges assessed to the Renter. In the event Renter terminates this authorization or the Rental Agreement owing any Rent, or other charges due to Operator, Operator may charge the credit card any sum due and owing upon termination. The authorization to charge Rent or other charges shall survive termination of the Rental Agreement if any sums are due and owing at the time of the termination of the charge authorization or the termination of the Rental Agreement. It is Renter's responsibility to notify Operator of any new or updated account information if the bank account or credit card information changes (including updating an expiration date on a credit card.) Renter shall be charged late fees and other Default charges if the credit card payment is not approved by Renter's credit card provider. If credit/debit card information changes frequently, Operator may charge a \$5 per e-signature request for any e signature requests totally more than 1 per year.

To the extent there is a conflict between the terms and conditions of the Self-Service Storage Rental Agreement and this Addendum, to the extent possible, the terms of this Addendum shall control.
