

Allied Storage LLC

RULES & REGULATIONS

The Rules & Regulations (called Rules) are incorporated into and part of the Lease agreement between Tenant and Allied Storage LLC (aka: Owner/Operator). These Rules are in addition to the lease agreement and may be changed or updated as needed by the facility operator. By signing the lease agreement Tenants also agree to these Rules.

On the Lot:

1. Living or sleeping in the units or at the facility is strictly prohibited. No loitering allowed.
2. All items must be stored inside the unit or inside the vehicle being parked. Items left outside the unit or vehicle (including things but not limited to stacked tires, wood, etc) will be removed at tenant's expense. Vehicle spaces are leased for the specified vehicle only on the lease.
3. Do not tailgate others through the gate. Speed limit is 5mph.
4. Dog and/or other pets must remain in your vehicle at all times.
5. Security is everyone's responsibility. If you see something that does not look right, please notify management immediately.
6. Use of mouse traps/poison is allowed within your own storage space. Management uses a variety of pest deterrents including poison. Please do not tamper with or move baits that may be located along the perimeter of the facility.
7. Gate may be left open during inclement weather or when in need of maintenance or at the discretion of management.

Prohibited uses:

1. Modify or alter the unit
2. Any illegal activity or uses, storage of guns, hazardous materials, explosives, corrosive, flammable, volatile, reactive or toxic substances, or any liquids or oils.
3. Store animals, food or perishable items
4. Store items that in the Owners determinations attract vermin, create a nuisance, have a noxious odor or endanger the safety or health of others or the environment. This includes but is not limited to moth balls or other chemicals/substances containing strong odors.
5. Store items with sentimental value or are irreplaceable.
6. Connect to any electricity, internet or other utilities.
7. No smoking on the premises, in or near the units.
8. No garage sales.
9. Do Not back up to the units. Damage to unit doors or door frames is a minimum \$500 fine.

Unsecured Units & Overlocks:

1. Owner may place a new lock on a unit that is not secured by a lock at the tenant's expense.
2. If an unsecured unit is vacant with only what appears to be trash, the Owner may dispose of the trash at the Tenant's expense and terminate the agreement.
3. When rent is 30 days or more past due the owner may cut off the tenant lock to prepare the unit for sale. If the unit is 30 days past due and found empty the lease will immediately be terminated by management, security deposit will be forfeited and any remaining rent will still be due or sent to collections.

4. Gate codes are automatically removed from the keypad when a tenant is more than 5 days past due. Codes are reinstated once full payment of rent is received.
5. Management overlocks may be placed on units when accounts are more than 10 days past due. Once account is paid in full overlocks are removed within 2 business days.
6. Tenant agrees to abide by rules and regulations and submit requested paperwork such as signed lease, drivers license and insurance as requested by Owner and understands an overlock may be placed on the unit if documents needed to complete the tenant file are not received in a timely manner.

Gates & Driveways:

1. Tenant must enter their personal gate code into the keypad.
2. Gate app is provided as an optional service. Owner is not responsible for loss or defects as a result of Tenant's use of the gate app.
3. Tenant must wait for the gate to fully open before pulling through and only ONE vehicle at a time may enter. Tenants are warned that the gate may close on and damage a vehicle and Owner is not liable for damage from the gate or any other use of the premises.
4. If a Tenant or tenant's guest damages the gate, buildings or other areas of the facility, the Tenant shall be responsible for the cost of repair. Minimum damage fee is \$500
5. Any security systems such as fences, gates, cameras are for Owner's protection only. Do not rely on such systems to protect Tenant property or unit contents.
6. Gate may be left open to allow Tenant to access units. This may be due to severe weather, power outage, when in need of maintenance or other reasons deemed necessary by the Owner.
7. Moving vans/trucks may not be parked in the driveways or within the gated facility overnight. Please contact management during office hours and in advance if you will need to park your moving truck overnight.

Vehicle Storage:

1. If a motorized vehicle is stored within a unit the following must be complied with:
 - a. The vehicle must be stored over a drip tray or cardboard to prevent fluids from leaking and staining the concrete. Tenant is responsible the expense to remediate the damage.
